Comment. On 3 October, the bulk of the 36th Pon Bridge Re of the GSFG had returned from the maneuver of the Third Shock Ar	my •
On 12 October, race elements of the reg	Iment
presumably returned to their quarters from their employment area Elbe River. The loading on 19/20 October presumably involved the	: DUIK /
of the regiment which possibly left for other exercises, presuma	bly
special engineer exercises.	
Comment. The camp in the Zuckerbusch Kaserne probably was	an en
assembly point for discharges of the Third Shock Army.	
Comment. The AT guns are believed to belong to the heavy	AΤ
regiment of the 20th Army AT Arty Brig which was probably also stationed in the Flak Kaserne prior to the summer training perior	od.
According to the strength estimate, not all components of the of	1
Gds AAA Div and elements of the 19th Gds Mecz Div believed stat: the installation 1 had returned to their quarters prior to 26 Oc	tober.
Comment. Not all units of the 19th Gds Mecz Div had return	
their installation prior to 26 October. Light elements may have	still
been stationed in the Letzling Heath.	
Comment. The Hindenburg Kaserne is believed to be occupi	ed as
